

Product Brochure

HYUNDAI

To enable us to promote the Hyundai brand to its maximum in the UK and Ireland, we have a range of innovative on-line platforms that allow dealers and end users to buy spare parts, register for warranty, download manuals and marketing material, view 'How to', troubleshooting, 360° videos, images and dealer locator. All aimed at improving the Hyundai customer experience.

Throughout this brochure, you will find a host of information about the Hyundai Power Equipment product range. Hyundai has rapidly increased its product line up in the UK & Ireland by introducing a full range of garden machinery products to the Hyundai UK line-up.

A full range of garden products including lawnmowers, brushcutters, trimmers, leaf blowers, chainsaws plus the range of top-class Hyundai petrol pressure washers. These products are built to Hyundai's renowned high quality and have been sold worldwide for the last 10 years. We have taken the very best of this wide range to supply the UK gardeners with the perfect tools for the job.

Distributed solely by Genpower Ltd, the Hyundai Power Equipment range is in good hands. Sold through a large and growing network of dealers throughout the UK and Ireland, the presence of Hyundai has never been so widely felt or as far reached. From our main distribution centre, our company provides products backed by a globally recognisable brand, with sales and technical support second to none, so you can always be safe in the knowledge that your new Hyundai product will give you years of reliable use.

for the UK market and to ensure the highest quality standards.

All of these power products offer unbeatable value and the highest quality and are available through an extensive and growing dealer network located throughout the UK and Ireland.

It is our goal to make Hyundai the No. 1 Power Equipment brand in the UK and Ireland. To do this we have to follow a number of simple processes:

1. **Quality** - Supply the best product available
2. **Value** - Offer the most competitive price
3. **Innovation** - Continuous product development, improvement and innovation
4. **Support** - Provide the best sales and after-sales support for our dealers and customers.

"Only a person who thinks he can do it will make it. If you doubt it, you will only do it to that extent. If you think you can't do it, you won't be able to do it at all."
